Job Description

JOB DESCRIPTION: SENIOR FUNDRAISING COORDINATOR

PART A: General Information

Position title:	Senior Fundraising Coordinator
Place:	Phnom Penh, Cambodia
Responsible to:	Development Manager (supervisor)

PART B: About Cambodian Living Arts (CLA)

Cambodian Living Arts was founded in 1998 by genocide survivor, musician and peace advocate Arn Chorn-Pond initially to preserve and revive Cambodia's endangered traditional art forms. 90% of Cambodia's artists did not survive the Khmer Rouge regime and Cambodia's artistic heritage, the heart of a culture, was in danger of being lost forever. Over the last 20 years, both Cambodia and the arts scene have developed rapidly and we have evolved our work to match. Today we focus on helping talented people to build and develop careers in the arts, though providing scholarships, fellowships and support to professional troupes.

Looking forwards, CLA's mission is to be a catalyst in a vibrant Cambodian arts sector, inspiring new generations. We aim to promote creativity and innovation in the arts sector, build links with our neighbours in the Asian region, and expand audiences and markets for the Cambodian performing arts nationally and internationally.

PART C: Position overview

The Senior Fundraising Coordinator is part of CLA's fundraising team whose work is to manage and support our annual fundraising campaign from individual donors and private family foundations. We focus our strategies on major gift solicitations, direct mail and email campaigns, hosting development-focused cultural tours to Cambodia, and engaging supporters around artistic events in the US and other countries. We have ambitious plans to grow our fundraised income and number of global supporters over the next 5 years.
